

GREETINGS TO EACH MEMBER OF THE ASSOCIATION:

Thank you for the honor bestowed upon me in choosing me for your President.

At our annual meeting it was voted to make our headquarters for another year at the Rhode Island Historical Society at 52 Power Street. Have you been thru the many rooms of this beautiful old mansion? Come regularly and have "tea" with us in the spacious dining room, and make our unique family as large as possible each month. Remember we are constituted for the purpose of "*honoring and preserving the memory of Roger Williams, the preparation and preservation of an authentic genealogy of his descendants and the promotion of friendship and social intercourse among them.*" This is a part of our By-Laws.

We are working hard on our genealogy. We want to promote the friendship of our members. Won't YOU attend a few of our meetings this year. If you live outside the state send us a word of greeting. Show your interest by sending us any genealogy records you may have, also the names of eligible descendants that we may contact them. We would be pleased to read your greetings during our meetings.

Mr. Bradford Swan, connected with the Providence Journal, will speak to us on October 7th regarding Roger Williams. He will be well worth hearing. May we see you there?

BERTHA WILLIAMS ANTHONY
