

No. 37

September 1960.

It is with a great sense of honor and humility that I accept the Presidency of the Roger Williams Family Association.

May I extend deepest sympathy to all members who have suffered bereavement in the past six months, and a cordial welcome to our sixteen new members.

It might be of interest to you who do not receive our local news, to learn that our retiring Senior United States Senator from Rhode Island, Theodore Francis Green and his colleague, Senator John O. Pastore have recently introduced a bill into Congress which would authorize a national monument to Roger Williams, on the site of the old town spring, to be surrounded by a four acre park.

It will take time and money to consummate this project, but all our local legislators have promised to support it in the next session of Congress.

The holiday season will soon be with us. To each member, I wish a bountiful Thanksgiving, a joyous Christmas and a most Happy New Year.

FLORENCE J. GALLUP,

President

RESUME OF MEETINGS — APRIL - SEPTEMBER

April 7th, 2:00 P.M.—Mrs. L. Byron Steere showed her excellent colored slides of Nova Scotia and Cape Breton Islands. Her commentary about the Evangeline country was very educational.

May 5th—This was an evening meeting and well attended. Mr. Homer Wilber of the F.B.I. talked to us about his work. We all felt we knew a little more about this fine organization and felt a greater sense of security with it in operation.

May 22nd—As is our annual custom, we attended the First Baptist Church and heard a most inspiring sermon by the pastor, Rev. Homer L. Trickett, at the close of which, he extended a special greeting to our Association. After the meeting the members enjoyed dinner at Eileen Darling's and then went on to Bristol to visit the Brown University Museum which contains a very fine collection of Indian antiques.

June 2nd—Work of the Travelers Aid Society was explained to us by Miss Clara A. Cleaves, Executive Director of the Providence Branch of the National organization.

July 9, (Saturday)—Basket lunches were enjoyed on the grounds of Mr. and Mrs. Ralph C. Bevan at Foster Center. After our business meeting, we were invited into their lovely colonial homestead, and Mr. Bevan gave a most interesting talk on his large and beautiful collection of glass.

August 6th (Saturday)—Our family met at Stony Brook Grove in North Kingston for a picnic luncheon and business meeting. This was followed by a visit to the South County Museum which has a large collection of antique household and farm implements.

September 1st—Annual meeting held at Roger Williams Park Museum Lecture room where we heard annual reports and held election of officers and all standing committees. Program was the showing of a state owned film about Roger Williams' experiences in Massachusetts and his final banishment.
